There's a new page for Tomorrow

1. There's a new page for tomorrow,
there's a new page for tomorrow,
there's a blank white page to write on,
a new chapter of your life.

Ref.: Every new day means a good chance
to renew, to start anew,
Use your personal pen to write on,
oh yes, to scribble, paint and write on.
Ev'ry encounter sets you free,
you can grow, you can be,
Enjoy creating every day, life,
because it's unique, it's unique,
yes, your story is unique.

2. You can prosper, you can grow.
Let your thoughts and feelings flow.
Be creative with colours
for great pictures of your life.

Ref.: Every new day means a good chance ...

Bridge: Let the fire glow within you.
Let it shine in the dark of night.
What will come, what will go,
the future is secret, you know,
you know, oh yes, you know.

3. There's a new page for tomorrow,
made for you and me.
There's a blank white page to write on,
a new chapter of your life.

Ref.: Every new day means a good chance ...
