# AN AMERICAN ICON

*The Adventures of Tom Sawyer* is one of America's most famous and popular novels. It strongly contributed to making **Mark Twain** an iconic figure in the American popular imagination, and one of the fathers of modern American literature. In the book, generations of American readers have discovered an idyllic time in their national past before industrialization, urbanization and immigration changed the face of America forever.

Mark Twain grew up in the years preceding the Civil War (1861–1865), and he experienced the rapid changes that were taking place in American society at that time. People felt confused and anxious, and there was much unrest. In the book, Twain looks back towards the past and forward to the future at the same time. On the one hand, he sets his novel in the community life of rural, pre-Civil War America, thereby offering his readers relief from the huge social changes happening around them. On the other hand, in *Tom*, he creates an inventive and energetic character who is a symbol of the values needed to succeed in the competitive society that followed the war.

What qualities do you need to be successful in today's society?

Make a list with a partner.

## OVER TO YOU

As you read, find examples where Twain makes fun of typical beliefs or values.

## DID YOU KNOW?

*The Adventures of Tom Sawyer* was originally written for adults, but Twain was persuaded by his wife and a friend that it was more suitable for children.

But despite his place in the American imagination, Twain was aware of the contradictions in the American dream of success and progress. Unlike other writers, however, he highlighted these contradictions using a wide range of comic techniques and made fun of the hypocrisy and oppression of his time. He also made fun of certain American beliefs and values while talking about topical issues. Twain's mixture of comedy and realism is central to the book's continuing success.

## Chapter 1

'Tom!' No answer.

'Tom!' No answer.

'What's that boy doing? Tom!'

The old lady went to the door and looked out at the garden.  
No Tom.

'Tom!'

There was a noise behind her. She turned just in time to catch  
Tom by his belt and stop him.

'What were you doing in that cupboard?'

'Nothing.'

'Nothing? Look at your hands and your mouth. What is that?'

'I don't know, Aunt.'

'Well, I know. It's jam. I've told you forty times that I'll beat  
you if you don't leave that jam alone. Give me that stick.'

'Look behind you, Aunt!'

She turned round quickly and lifted up her skirt, and the boy  
ran away.

His Aunt Polly stood surprised, and then laughed.

'What a boy! I really don't know what to do. I should beat him  
when he does wrong. But he's my dead sister's boy, and I don't  
like to hit him.'

### GLOSSARY

• **beat:** hit

• **belt:**

• **catch:** (here) hold in her hands

• **jam:** sweet food made from fruit

Tom didn't go to school that afternoon. He went swimming and had a very good time. He got back just in time to help cut the next day's wood. Tom's younger half-brother• Sid was helping, too. Sid was a quiet boy and no trouble•.

While Tom was eating his supper, Aunt Polly asked:

'Was it very hot in school?'

'Yes, Aunt.'

'Didn't you want to go swimming, Tom?'

'No, Aunt, not very much.'

She felt Tom's shirt, and she was surprised to find it dry.

'We poured water on our heads to keep cool•,' he said.

Aunt Polly looked closely and saw that his hair was wet. Then she remembered something else.

'Did you have to undo your collar• where I sewed• it to your shirt?'

Tom showed her that the collar was still in place.

'Oh! I was sure you didn't go to school, and you went swimming instead. But this time you were good, Tom.'

## GLOSSARY

- **collar:** part of a shirt around the neck
- **cool:** slightly cold
- **half-brother:** when one of the parents is the same
- **no trouble:** (here) good; he caused no problems
- **sewed:** attached with needle and thread

But Sidney said:

‘I’m sure you sewed his collar with white thread, but it’s black.’

‘Yes, I did sew it with white! Tom!’

But Tom did not wait for the rest. As he ran out of the door, he said, ‘Sid, I’ll beat you for that.’

Later, Tom examined the two needles he kept in his jacket pocket. One needle had white thread, and the other had black thread.

‘Why can’t she use one color?’ said Tom.

## **TOM’S AFTERNOON**

What did Tom do? What did Tom say he did?

How does Aunt Polly discover the truth?

Tom was walking down the street when he met a new boy just a little larger than himself. Strangers were interesting in the village of St Petersburg. He was wearing city clothes, and Tom didn't like that. It made him feel poor. The two boys looked at each other and circled•, face to face and eye to eye. Finally, Tom said:

‘What’s your name?’

‘It’s none of your business•.’

In an instant, they were rolling around• on the ground, fighting like cats. Soon, Tom was sitting on top of the new boy, hitting him with his fists•. At last, the stranger said, 'Enough!'

Tom let him stand up, and said, ‘That’ll teach you. Be careful next time.’

He got home quite late that night. When he climbed in• through the window, his aunt was waiting for him. When she saw the state• of his clothes, she decided to make his Saturday holiday from school into a day of hard work.

## GLOSSARY

- **circled:** walked around in a circle
- **climbed in:** went up and into something
- **fists:** closed hands
- **none of your business:** not information for you
- **rolling around:** turning on the ground
- **state:** condition (here, they were dirty)
