Christmas Tree

Make a Christmas tree for your class.

You need:

lots of green paper
1 sheet of brown paper
1 sheet of yellow paper
1 large sheet of card
scissors
glue

1 Draw your hand on green paper. Cut out the hand print.

2 Write a Christmas greeting on your print.
- Happy Christmas
- Best Wishes
- Merry Christmas

3 Draw a triangle on the sheet of card.

4 Cut a rectangle of brown paper. Glue it under the triangle.

5 Glue the hand prints onto the tree.

6 Draw a star on the yellow paper. Cut it out and glue it onto the top of the tree.

Merry Christmas
