Easy Lover

Easy lover, she'll get a hold on you believe it!
 She's like no other, before you know it you'll be on your knees!
 She's an easy lover, she'll take your heart but you won't feel it.
 She's like no other, and I'm just trying to make you see!

She's the kind of girl you can't
 dream of keepin' her out of,
 you'd better forget it! You'll never get it!
 She will play around and leave you,
 leave you and see if you
 Better forget it! Oh, you'll regret it!

No you'll never change her, so leave it, just leave it!
 Get out quick, 'cos seein' is believin',
 it's the only way you'll ever know!

She's an easy lover, she'll get a hold on you believe it!
 She's like no other, before you know it you'll be on your knees!
 She's an easy lover, she'll take your heart but you won't feel it.
 She's like no other, and I'm just trying to make you see!

You're the one that wants to hold her,
 you're the one that wants to control her!
 You'd better forget it! You'll never get it!
 For she'll say there's no other,
 'till she finds another!
 You'd better forget it! Oh, you'll regret it!

Don't try to change her, just leave it, just leave it!
 You're not the only one, oh seein' is believin',
 it's the only way you'll ever know!

Don't try to change her, just leave it, just leave it!
 You're not the only one, oh seein' is believin',
 it's the only way you'll ever know!

She's an easy lover, she'll get a hold on you believe it!
 She's like no other, before you know it you'll be on your knees!
 She's an easy lover, she'll take your heart but you won't feel it.
 She's like no other, and I'm just trying to make you see!

(Phil Collins)
