

Begegnungs-Jodler

Der *Begegnungs-Jodler* besteht aus einem 4-stimmigen Chorjodler im alpenländischen Stil, zu welchem „in blue“ eine Solostimme (Sopran oder Tenor) ergänzt wird. In den Teilen **A** und **B** erklingt somit ein interessanter „Jodler in blue“, wechselweise mit alpenländischem und englischem Text. Mit den Teilen **C**, **D** und **E** wird dieser Jodler – belebt durch Stilelemente von Rock und Jazz – zu einem groovigen Crossover-Stück.

Aufführungsvarianten:

- Aufführung des kompletten Arrangements mit allen Teilen, eventuell erweitert durch Improvisationen.
- Aufführung der Teile **A** und **B** als eine leicht singbare Variante – ein „Jodler-Blues“.
- Aufführung des 4-stimmigen Chorsatzes (SATB) ohne Solo-Stimme – ein schlichter alpenländischer Chorjodler im traditionellen Stil.

Meeting-Yodel

The *Meeting-Yodel* is a special choral composition for four voices in the same style with traditional solo voice (soprano or tenor) „in blue“. You can sing the parts **A** and **B** as a smooth „yodel in blue“ with alternating alpine and English text. Parts **C**, **D** and **E** add elements of rock and jazz to the yodel to form a crossover.

Performance variants:

- Performance of the complete arrangement with all parts and optionally additional improvisation.
- Performance of parts **A** and **B** as an easy-to-sing variant – a „yodel blues“.
- Performance of the four-part choral arrangement (SATB) without solo voice – a simple alpine choral yodel in the traditional style.
