### Morning

1. Sometimes the heart is covered with grey, the mirror shows a shadow of love.  
A deeper night, a foggy day, it seems like there's no blue sky above.  
Believe me, you're not the only one. Believe me, your feelings are true.  
The only thing that has to be done is to give your soul a new brighter view.

Ref.: Don't be afraid, a new morning will come.

Your thoughts will be heard with the new morning sun.

Give it up, the new morning will show,  
find your own way 'cause you got to go.

2. I walk down the road on my own, time rushes by, there's no place to hide.  
The waves are beating 'cause I'm alone, I'm drown in the ocean, so wide.  
Believe me, and open your eyes. Believe me, there's a path you should go.  
The horizon covers multiple skies, new wind will share a warmer flow.

Ref.: Don't be afraid, a new morning will come...

You're not alone, you're not alone, ...

We will help you to find, throw away your sorrowful mind.

You're not alone!

Ref.: Don't be afraid, a new morning will come...
