

Play Station Project

Theatre

Make a theatre and act out part of the story.

You need:

scissors 
a cardboard box

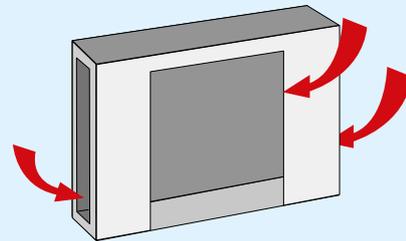

glue 

card 

two strips of strong cardboard 

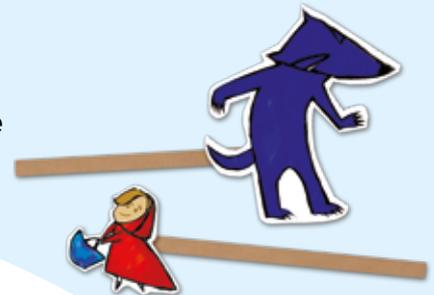

1 Download the theatre, Little Red Riding Hood, the wolf and the bed from ezonekids.helbling.com. Cut them out and colour them. Or copy them to the size you prefer.

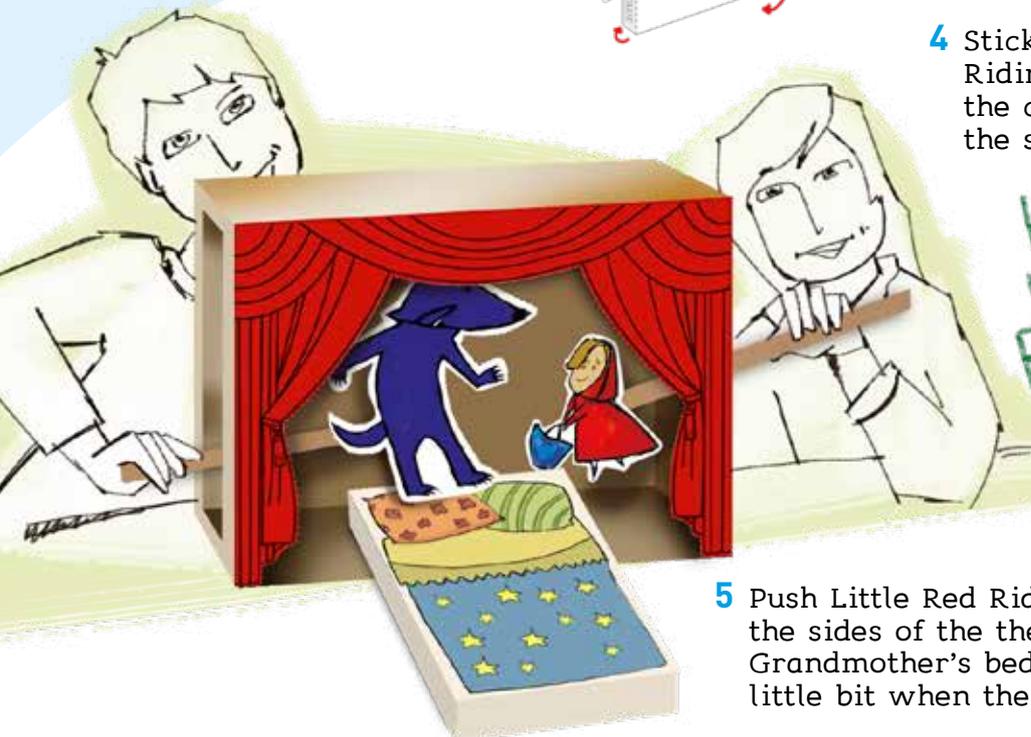

2 Cut holes in three sides of the box. Stick the theatre front onto the box.

3 Fold the bed. Put it in the middle of the stage.

4 Stick the figures of Little Red Riding Hood and the wolf onto the card. Then stick them on the strips of cardboard.

Hurry up,
Little Red
Riding Hood.
Where are you?
Here I am!

5 Push Little Red Riding Hood and the wolf into the sides of the theatre. Act out the scene in Grandmother's bedroom. Move the characters a little bit when they are talking.
